

HOW TO JOIN THE FULLERTON FAMILY REUNION GROUP ON FACEBOOK

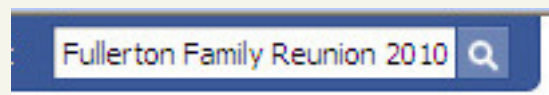

A group for descendants of William and Mary Fullerton has recently been created on the social networking web site Facebook.com. Any descendants (and in-laws, connections etc.) are most welcome to join the group if they would like to. We hope to post messages on the group occasionally to keep interested descendants up-to-date with the plans for the Fullerton Family Reunion.

To join:

1. If you are already a member of Facebook.com, the first thing you will have to do is login. If you aren't already a member there is an option to sign-up at no charge, if you wish to do so (Privacy settings are available).
2. Once you have logged-in, use the search box in the top right hand corner of the screen to

search for 'Fullerton Family Reunion 2010'.

3. The search results should show the Fullerton Reunion Group with the name 'Fullerton Family Reunion 2010—Descendants of William and Mary Fullerton'.
4. Join the group by pressing on the link 'Request to Join'.

5. Once you are approved to join the group, you will be able to access the group page. You may, if you would like to, post a message to introduce yourself on the discussion board where other members of the group can respond.
